8. General conditions and provisions

8.1 Working hours and reservations

Ordinary working hours with continuous work for reception/delivery of units weekdays 06.00-20.00 and ordinary working hours for other work weekdays 07.00-16.00 including meal breaks 09.00-09.30, 11.45-12.30 and 14.30-14.45.

Work reservations to be made to the planning department by telephone + 46 42 106262 or +46 42 107313 as follows:

- For overtime work on the same ordinary working day, by 10.00 the same day at the latest
- For overtime work Saturday, Sunday and public holiday, by 10.00 at the latest on last working day at least two days prior to the overtime in question

To avoid charging of reserved overtime, cancellation must be made by 14.00 at the latest on weekdays in the case of reserved overtime for the same day, and by 10.00 at the latest on the last weekday prior to reserved overtime for Saturday, Sunday or public holiday.

All overtime is voluntary but can be performed by agreement:

Ordinary Monday-Friday 16.00-20.00
Saturday 07.00-24.00
Sunday and public holiday 07.00-20.00

For reserved work on Saturdays, Sundays and public holidays, eight hours - in addition to overtime - are charged per shift and per foreman and man (guarantee time).

Public holiday overtime is charged for work on Easter Saturday, Whitsun Eve, Midsummer Eve, Christmas Eve and New Year's Eve. May 1st is a non-working day.

For EDI connection to HHAB IT system EDI appendice has to be followed (pls see appendice at our webpage)

8.2 Payment terms

30 days net from date of invoice and in case of payment after that interest on overdue payment will be charged according to the Swedish Law of Interest.

8.3 Payment liability

Party who orders work from Helsingborgs Hamn AB is liable for payment irrespective of whether said party is acting as agent for another principal or not.

8.4 Release from liability

Helsingborgs Hamn AB has no liability, and no liability to pay compensation, for any damage or cost that occurs as a result of lockout, strike, blockade, boycott or other circumstances that are not within the control of the company.

8.5 Other provisions and conditions

Order and safety inside the port area are - above applicable regulations according to Swedish law - regulated by the Port Regulations for the City of Helsingborg, the Port of Helsingborg Safety Regulations, recommendations and regulations according to the ISPS-code (International Ship and Port Security Code), the Shipping Protection Act and By-laws for the Port of Helsingborg.

The Port of Helsingborg is a member of the Swedish Ports and Stevedores Association. Operations performed by Helsingborgs Hamn AB are subject to the conditions issued by this association, namely The Swedish Ports and Stevedores Association's General Conditions 1989 for terminal operations.
